WATER COMPANY TO BEGIN WORK ABOUT FIRST OF MAY

General Superintendent Pollock Expected Here This Week.

MANY PEOPLE ARE ANGRY

Think Company Is Making Them Pay Bills Where They Have No Right.

Numerous inquiries have been made as to when the Chareroi Water company intends starting the construction of the filtration plant for this borough and work on the other improvements to be made. This morning a representative of the company stated that in all probability work would be begun about May 1. General Superintendent H. E. Pollock of the company will be in Charleroi some day this week and the first material for the plant is expected to arrive shortly.

The filtration plant will be erected on the land recently purchased from the Charleroi Lumber company, east of the railroad tracks, and a short distance north of the present pump station. The work is to be completed according to contract September 14. 1910, or the contract may be declared null and void by the borough. An addition of 50 feet is to be made to the north end of the pump station, to give room for the installation of the new pump, which will have a capacity of 1,000,000 gallons per day, and for other apparatus.

In re-rating, accoridng to their rules and regulations adopted by the Water company on September 1. 1909, there have been many objections on the part of residents of the borough. One of the causes of complaint is that the company is compelling each family now to use a meter, or pay by contract rate, where before it was possible for two or more families residing in houses on the same lot to pay for their water by one meter.

Another cause of complaint, and one which may have some bearing on the future peace between the borough and the Water company, is the company's attempt to enforce people to pay bills where they have no right. For instance if a man moves in a house where the resident before had neglected to pay the water bill, the water company refuses to turn on the water until the bill is paid by the new resident. This is declared unjust in the extreme by citizens, and a protest will be made and fought to a finish if the rule is not changed.

President Jones Arked To Name Convention Date

President E. W. Jones of the Washington County District Epworth League has been asked by the president of the local chapter, E. R. Abell, to name a date for holding the district conventon in Charleroi. A meeting of the officers and members of the Charleroi Epworth League was held last night, and plans for the convention were dicsussed. One of the matters which is claiming much attention is that of the entertainment of the delegates. There will be neraly 200 of these. It was decided to allow the Epworth League chorister, L. H. Goehring. to have charge of the music, and arrange a special program of well known songs.

Rev. Parcell Named By Prohibitionists

Washington Clergyman Will Make Bid For Seat In Congress.

Rev. S. L. Parcell of Washington, was named Saturday afternoon as the Prohibition candidate for Congress in this district. This action was taken by the Beaver county Prohibition convention which also named a full county Prohibition ticket. Rev. Parcell expects to make an active campaign, not particularly because he expects election, but in the interest of the Prohibition cause.

COMMITTEES WILL MEET AND REPORT

Tonight at 7:30 o'clock at the borough building all the committees appointed last Tuesday evening to have charge of the arrangements of the Fourth of July celebration to be held here will meet to make reports and discuss plans of work. Only the preliminary work has been done thus far by the various committees and the outlining of the plans of future work will be done tonight. It is the intention to secure a number of speakers, among them to be several noted men.

Capt. John A. Wood Dies at His Home In State of California

Capt. John A. Wood, one of the pioneers of the coal business in the Monongahela valley, died at his home in San Diego, California, on Saturday, April 16, aged 79 years. Capt. Wood entered the coal business when boats were floated to Cincinnati and to New Orleans, before the time when steamboats were used for that purpose. In 1860 he formed a partnership with the late Simpson Horner and for years operated under the name of Horner and Wood. Later he retired from this partnership and organized the firm of John A. Wood and Son, and operated many mines and steamboats both in the local and southern trade. He built the "John A. Wood," "S. L. Wood," and many smaller steamers, several of which are still in commission. He was well known to hundreds of people in the valley, who will regret to learn of his death.

VIEWERS APPOINTED TO INVESTIGATE CTAIMS OF DAMAGES FROM BOROUGH

Mrs. Sellers Thinks Property In North Charleroi Was Damaged In Changing Grade of Lincoln Avenue.

Upon petition of Mrs. Elizabeth Sellers of North Charleroi, the court yesterday appointed as viewers M. Wells, J. W. Berryman, J. J. Hott, of Charleroi, Clive T. Lewis, Donora and John B. Meyers of California to investigate, and if in their opinion it iswise, assessdamages for allegedinjur done to her propertyon Lincoln avenue, North Charleroi, by the borough. Lincoln avenue is the street where paving was recently completed. In order that the paving might be correctly done, it was necessary to change the grade, and this Mrs. Zellers claims, was injurious to her property, and instrumental in lowering its value. Wednesday, May 4, has been set as the date for the meeting.

Many Miners Go To Work Again at Vesta No. 4 Mine

For the third or fourth time during the mine strike, a number of miners of the Vesta No. 4 mines at California have returned to work. The miners are all day men, it is said. Several agreements have been reached in regard to the settlement of the strike at the Vesta mines, but for various reasons have not held. A number of foreigners are said to have caused considerable trouble there, a large body of them keeping miners from going to work by threats of personal violence.

Valley Base Ball League Safe Bet For Coming Year

At a meeting at Belle Vernon Sunday it was virtually decided to reorganize the Monongahela Valley Baseball League. The circuit will be six clubs and possibly eight, selected from the following towns: Belle Vernon, California, Roscoe, Fayette, City, Donora, Monongahela, Elizabeth, Marianna and Ellsworth. Another meeting will be held this evening to further the organization.

Diagnosis of Case A Necessity After Fall Down Stairs

Feeling that he needed medical attention, a Finander from Vesta, with considerable wet goods tanked in his body, started up the steps to Dr. A. O. Davis' office at about 1 o'clock this afternoon, fell down, and then it was an absolute necessity to diagnose his case. It has been said that Providence protects children and drunken men, and in this particular case Providence protected the Finlander. Just how many steps he fell is not known, but when he landed at the foot on the hard marble floor he sustained a serious cut about the left eye, and was somewhat bruised about the shoulders and upper part of the body. Dr. Davis diagnosed the case and sewed up the wounds.

WEST PIKE RUN WOMAN REMEMBERS THE COUNTY

Bequeaths $10,000 for Redemption of Court House Bonds

CHILDRENS HOME FAVORED

$4,000 To Be Held In Trust for It, Same Amount Being Left County Home.

Probably for the first time the county was remembered by an individual in a will, this being the case in that of Elizabeth Phillips, late of West Pike Run township, whose will was admitted to probate Saturday and contains a bequest of $10,000 for the redemption of court house bonds. Decedent also wills to the county home and the children's home $4,000 each, these sums to be held in trust for the use of the inmates. The will is a lengthy one, containing 89 bequests and disposing of a valuable estate.

The churches of Beallsville and vicinity are also remembered with substantial bequests, as follows: Beallsville M. E. church, $1,000; Centerville M. E. church, Taylors M. E., Clover Hill and Zion M. E., Deemston, each $1,500, these bequests to be held in trust perpetually for general purposes and to be known as the Lucinda Hill and Elizabeth Phillips memorial.

Bequests of $500 each are also made to the Beallsville Presbyterian and Fredericktown M. E. churches. To the Board of Home Missions, the Board of Foreign Missions, the Board of Church Extension and Deaconess Society of the M. E. church is willed $10,000, the sum to be divided equally.

To the Beallsville school district, for high school purposes, is willed in trust $3,000 for school purposes; to the West Pike Run school district for the McGirr school $2,500 and to the Centerville school, for high school purposes, $1,500.

To Charles Miller is willed the Joseph John's farm of 20 acres and to Mark Galway the Bennett Hill farm of 74 acres.

Substantial requests are made to numerous relatives. Charles Hill is named executor of her estate.

SLACKWATER IS LAID UP FOR REPAIRS

The United States Steamer Slackwater arrived at Lock No. 4 last evening and is now at the U. S. Government boat yards undergoing some extensive repairs made necessary from an accident which happened to her at Lock No. 6. on the Ohio river last Friday.

The Slackwater was engaged as a tender for the U. S. Dredgeboat No. 2 and was making a landing for the night, having a flat of coal in tow. The boat became unmanageable in the swift current and was driven with great force against the lower guide wall of the lock. Her wheel was wrecked, machinery damaged and the boat otherwise injured to such an extent as to put her out of commission for some time.

Capt. J. L. McFeeters, one of the oldest and most experienced rivermen was at the wheel, and Capt. Jas. T. Nutt was in command, but the accident was purely unavoidable and no blame can be attached to any one. The disabled boat was brought into port by the U. S. Steamer Swan, aided by the Steamer Eliza on Sunday. Repairs will be made to the Slackwater and she will soon be on her way good as new.

Snow Fell Last Night.

With a light skift of snow on the walks and roofs this morning, the blooming fruit trees and shade trees almost in full leaf presented a startling appearance. In regard to one of his first games in the American Association there, a Columbus paper says: "Arch Osborne southpawed it all over the champion Colonels Saturday." And the score goes to prove that he did. The final outcome of the game, which was with Louisville, was 5 to 2. Osborne allowed but six weak hits, striking out two men. He thus helped Columbus get a lead on first place in the league. Osborne is pitching ball and is picked by many to lead the the league at the close of the season.

FOR CONGRESS

JOHN K. TENER

OF CHARLEROI

Subject to the Decision of the Republican Voters of the Twenty-Fourth District at the Primaries June 4

Only Half a Truth.

In order to manufacture materia for another whirl at his "duck egg" argument, the alleged 346 fraudulent votes of Charleroi, former Congressman E. F. Acheson uses part of a personal published in the Mail Saturday to slander two of Charleroi's respected and esteemed citizens. The libel is published in the Observer this morning and says: "John J. Oates of the State Department of Health, has been home for several days." The occasion is taken to class Mr. Oates and his brother, Dennis Oates, who is assistant postmaster at Charleroi, as "active heelers of the booze and boodle brigade."

The personal in question quoted from the Mail was not complete. As published in this paper it should read: "John J. Oates of the State Department of Health has been home for several days on account of the illness of his baby." The infant was critically ill with pneumonia, and is not yet considered out of danger. This slander of two of Charleroi's respected citizens by the Observer was as uncalled for as it is wide of that paper's professed policy of poltical rectitude and morality.

A Wise Recommendation.

In recommending three additional voting precincts for Charleroi, the commission appointed by the county court to pass upon the re-districting of the borough, displayed wisdom and a proper understanding of the requirements. While this division, if approved by the court, may at times return a small vote in some of the precincts, there are other times when they will show the proper pro rata, as well as provide for future contingencies. Under the present division, should three-fourths of the registered and qualified voters desire to cast their ballots at a primary election, many of them could not be accommodated. The three precincts that now constitute the voting divisions of the borough each contain too many voters to be properly handled by the election boards, when anything like a full vote is polled.

The six precincts recommneded by the commission make as near an equal division geographically and with regard to population as can be well considered under present circumtsances. Any one of these can be equally subdivided in the future should occasion require, without disturbing the boundaries of the present plan. The proposed division also includes a fair proportion of both American-born and foreign citizens in each precinct, so that no class or nationality is bunched or isolated. It was the aim of the commission, which is composed of fair-minded and disinterested citiezns, to avoid any such results, and their recommendation both geograhically and socially is well considered.

Taxpayers Remembered.

While churches, schools, hospitals, colleges and other Christian, charitable and philanthropic institutions come in regularly for bequests from public spirited persons, it is not often that taxpayers and public dependants derive benefits of this sort. The exception to this rule happens in Washintgon county, where a charitably disposed woman late of West Pike Run township leaves a substantial bequest for the redemption of court house bonds and also one for the benefit of the inmates of the county and children's homes.

This is a most unusual bequest, but it expresses the true spirit of philanthrophy. The bequests which are held in trust for the inmates of the county homes are particularly beneficient, and judiciously administered, will do much toward brightening the lives of those on whom fortune has frowned and friends grown strange. At the children's home can this bequest be used to bring happiness and cheer under conditions where bare necessities are considered an essential. The modicum of relief that the rendemption of the court house bonds; by the terms of the bequest, will bring about will also be appreciated by the small taxpayers who find even their assessments burdensome. For widespread beneficence the bequest of MissElizabeth Phillips, for that is the donor's name, will be felt in circles heretofore exempt in this respect.

Putting Quality first and Low Prices next is the reason of our ever increasing business. It seems strange that we should at one and the same time claim better merchandise at lower prices, for we say quality does not suffer at the expense of our low prices. What suffers is big profits, and we make that up in the volume of big business. Small profits, ready and quick sales look good to us. Here are some of the prices. Think and act. It means a saving on each article bought.

PRICES THAT ARE LOW

Our men's suits are hand-tailored by tailors that know how to put the proper kinks into them to give them that custom-made appearance. The most popular sellers are $15 00, 13.50 and 12.00.

We invite honest criticism of our $10 values in blue, black or fancy suits for young men. Every garment is backed by our guarantee to wear the price or a new suit gratis.

To the Voters of Washington and Greene Counties:

I am a candidate in the Republican primary Saturday, June 4, for the nomination of Senator in the General Assembly to represent the people of Washington and Greene counties. I am under no pledge or promise to any individual, clique or faction in the district or outside. I stand upon my own individual record and I am making my appeal for votes direct to the people--the sovereign power of every community. I stand pledged to use my best efforts in behalf of the people and I assure one and all that I shall use all honorable means to advance the welfare and interest of my constituency.

I have made no entangling alliances and if nominated and elected I shall be left free to do the will of the people in all matters pertaining to their peace, welfare and happiness. I refer the voters of Washington and Greene counties to past record in public life covering a period of thirty years. It is upon this record that I make an appeal for support in the coming primaries. I solicit the vote and influence of every Republican in the district. Thanking you kindly in advance for the interest you will take in my behalf, I am,

Very Respectfully Yours,

John W. Hallam

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

CATARRHAL ASTHMA AND HAY FEVER

Tens of thousands of suffers from hay fever and catarrhal asthma find great comfort and quick relief by breathing Hyomei.

Of course where asthma is not caused by a catarrhal condition, but by nervous contraction of the bronchial tubes, Hyomei is not recommended.

But in a case of asthma where there is a discharge of mucous, breathing Hyomei gives most wonderful relief by soothing the irritated and highly inflamed membrane.

Mr. W. A. White, R. F. D. No. 1, Evansport, writes: "I have been bothered with asthma for over five years but could not get any relief until I tried Hyomei. I have spent lots of money on remedies for asthma and if I could not get another bottle I would not be without Hyomei for $50. I recommend it."

A complete Hoymei outfit including hard rubber pocket inhaler, costs $1.00 with instructions for use in hay fever and asthma. Extra bottles of Hyomei cost 50 cents at druggists everywhere and at Piper Bros. K8

WATER COMPANY TO BEGIN WORK ABOUT FIRST OF MAY

General Superintendent Pollock Expected Here This Week.

MANY PEOPLE ARE ANGRY

Think Company Is Making Them Pay Bills Where They Have No Right.

Numerous inquiries have been made as to when the Chareroi Water company intends starting the construction of the filtration plant for this borough and work on the other improvements to be made. This morning a representative of the company stated that in all probability work would be begun about May 1. General Superintendent H. E. Pollock of the company will be in Charleroi some day this week and the first material for the plant is expected to arrive shortly.

The filtration plant will be erected on the land recently purchased from the Charleroi Lumber company, east of the railroad tracks, and a short distance north of the present pump station. The work is to be completed according to contract September 14 1910, or the contract may be declared null and void by the borough. An addition of 50 feet is to be made to the north end of the pump station, to give room for the installation of the new pump, which will have a capacity of 1,000,000 gallons per day, and for other apparatus.

In re-rating, according to their rules and regulations adopted by the Water company on September 1, 1909, there have been many objections on the part of residents of the borough. One of the causes of complaint is that the company is compelling each family now to use a meter, or pay by contract rate, where before it was possible for two or more families residing in houses on the same lot to pay for their water by one meter.

Another cause of complaint, and one which may have some bearing on the future peace between the borough and the Water company, is the company's attempt to enforce people to pay bills where they have no right. For instance if a man moves in a house where the resident before had neglected to pay the water bill, the water company refuses to turn on the water until the bill is paid by the new resident. This is declared unjust in the extreme by citizens, and a protest will be made and fought to a finish if the rule is not changed.

COMMITTEES WILL MEET AND REPORT

Tonight at 7.30 o'clock at the borough building all the committees appointed last Tuesday evening to have charge of the arrangements of the Fourth of July celebration to be held here will meet to make reports and discuss plans of work. Only the preliminary work has been done thus far by the various committees and the outlining of the plans of future work will be done tonight. It is the intention to secure a number of speakers, among them to be several noted men.

Capt. John A. Wood Dies at His Home In State of California

Capt. John A. Wood, one of the pioneers of the coal business in the Monongahela valley, died at his home in San Diego, California, on Saturday, April 16, aged 79 years. Capt. Wood entered the coal business when boats were floated to Cincinnati and to New Orleans, before the time when steamboats were used for that purpose. In 1860 he formed a partnership with the late Simpson Horner and for years operated under the name of Horner and Wood. Later he retired from this partnership and organized the firm of John A. Wood and Son, and operated many mines and steamboats both in the local and southern trade. He built the "John A. Wood," "S. L. Wood," and many smaller steamers, several of which are still in commission. He was well known to hundreds of people in the valley, who will regret to learn of his death.

VIEWERS APPOINTED TO INVESTIGATE CTAIMS OF DAMAGES FROM BOROUGH

Mrs. Sellers Thinks Property In North Charleroi Was Damaged In Changing Grade of Lincoln Avenue.

Upon petition of Mrs. Elizabeth Sellers of North Charleroi, the court yesterday appointed as viewers M. Wells, J. W. Berryman, J. J Hott, of Charleroi, Clive T. Lewis, Donora and John B. Meyers of California to investigate, and if in their opinion it is wise, assess damages for alleged injur done to her property on Lincoln avenue, North Charleroi, by the borough. Lincoln avenue is the street where paving was recently completed. In order that the paving might be correctly done, it was necessary to change the grade, and this Mrs. Zellers claims, was injurious to her property, and instrumental in lowering its value. Wednesday, May 4, has been set as the date for the meeting.

Many Miners Go To Work Again at Vesta No. 4 Mine

For the third or fourth time during the mine strike, a number of miners of the Vesta No. 4 mines at California have returned to work. The miners are all day men, it is said. Several agreements have been reached in regard to the settlement of the strike at the Vesta mines, but for various reasons have not held. A number of foreigners are said to have caused considerable trouble there, a large body of them keeping miners from going to work by threats of personal violence.

Valley Base Ball League Safe Bet For Coming Year

At a meeting at Belle Vernon Sunday it was virtually decided to reorganize the Monongahela Valley Baseball League. The circuit will be six clubs and possibly eight, selected from the following towns: Belle Vernon, California, Roscoe, Fayette, City, Donora, Monongahela, Elizabeth, Marianna and Ellsworth. Another meeting will be held this evening to further the organization.

Diagnosis of Case A Necessity After Fall Down Stairs

Feeling that he needed medical attention, a Finander from Vesta, with considerable wet goods tanked in his body, started up the steps to Dr. A. O. Davis' office at about 1 o'clock this afternoon, fell down, and then it was an absolute necessity to diagnose his case. It has been said that Providence protects children and drunken men, and in this particular case Providence protected the Finlander. Just how many steps he fell is not known, but when he landed at the foot on the hard marble floor he sustained a serious cut about the left eye, and was somewhat bruised about the shoulders and upper part of the body. Dr. Davis diagnosed the case and sewed up the wounds.

SLACKWATER IS LAID UP FOR REPAIRS

The United States Steamer Slackwater arrived at Lock No. 4 last evening and is now at the U. S. Government boat yards undergoing some extensive repairs made necessary from an accident which happened to her at Lock No. 6. on the Ohio river last Friday.

The Slackwater was engaged as a tender for the U. S. Dredgeboat No. 2 and was making a landing for the night, having a flat of coal in tow. The boat became unmanageable in the swift current and was driven with great force against the lower guide wall of the lock Her wheel was wrecked, machinery damaged and the boat otherwise injured to such an extent as to put her out of commission for some time.

Capt. J. L. McFeeters, one of the oldest and most experienced rivermen was at the wheel, and Capt. Jas. T. Nutt was in command, but the accident was purely unavoidable and no blame can be attached to any one. The disabled boat was brought into port by the U. S. Steamer Swan, aided by the Steamer Eliza on Sunday. Repairs will be made to the Slackwater and she will soon be on her way good as new.

Bequeaths $10,000 for Redemption of Court House Bonds

CHILDRENS HOME FAVORED

$4,000 To Be Held In Trust for It, Same Amount Being Left County Home.

Probably for the first time the county was remembered by an individual in a will, this being the case in that of Elizabeth Phillips, late of West Pike Run township, whose will was admitted to probate Saturday and contains a bequest of $10,000 for the redemption of court house bonds. Decedent also wills to the county home and the children's home $4,000 each, these sums to be held in trust for the use of the inmates. The will is a lengthy one, containing 89 bequests and disposing of a valuable estate.

The churches of Beallsville and vicinity are also remembered with substantial bequests, as follows: Beallsville M. E church, $1,000, Centerville M. E. church, Taylors M. E., Clover Hill and Zion M. E., Deemston, each $1,500, these bequests to be held in trust perpetually for general purposes and to be known as the Lucinda Hill and Elizabeth Phillips memorial.

Bequests of $500 each are also made to the Beallsville Presbyterian and Fredericktown M. E. churches. To the Board of Home Missions, the Board of Foreign Missions, the Board of Church Extension and Deaconess Society of the M. E church is willed $10,000, the sum to be divided equally.

To the Beallsville school district, for high school purposes, is willed in trust $3,000 for school purposes; to the West Pike Run school district for the McGirr school $2,500 and to the Centerville school, for high school purposes, $1,500.

To Charles Miller is willed the Joseph John's farm of 20 acres and to Mark Galway the Bennett Hill farm of 74 acres.

Substantial requests are made to numerous relatives. Charles Hill is named executor of her estate.

Osborne South Paws It All Over Fast Louisville Bunch

Arch Osborne, former manager of the Charleroi team in the old P. O. M. league, and last year the manager of the East Liverpool team of the O. and P. league is making good with a vengeance at Columbus, Ohio, this year. In regard to one of his first games in the American Association there, a Columbus paper says: "Arch Osborne southpawed it all over the champion Colonels Saturday." And the score goes to prove that he did. The final outcome of the game, which was with Louisville, was 5 to 2. Osborne allowed but six weak hits, striking out two men. He thus helped Columbus get a lead on first place in the league. Osborne is pitching ball and is picked by many to lead the the league at the close of the season.

JOHN K. TENER

OF CHARLEROI

Subject to the Decision of the Republican Voters of the Twenty-Fourth District at the Primaries June 4

Only Half a Truth.

In order to manufacture materia for another whirl at his "duck egg" argument, the alleged 846 fraudulent votes of Charleroi, former Congressman E. F. Acheson uses part of a personal published in the Mail Saturday to slander two of Charleroi's respected and esteemed citizens. The libel is published in the Observer this morning and says: "John J. Oates of the State Department of Health, has been home for several days." This occasion is taken to class Mr. Oates and his brother, Dennis Oates, who is assistant postmaster at Charleroi, as "active heelers of the booze and boodle brigade."

The personal in question quoted from the Mail was not complete. As published in this paper it should read: "John J. Oates of the State Department of Health has been home for several days on account of the illness of his baby." The infant was critically ill with pneumonia, and is not yet considered out of danger. This slander of two of Charleroi's respected citizens by the Observer was as uncalled for as it is wide of that paper's professed policy of poltical rectitude and morality.

A Wise Recommendation.

In recommending three additional voting precincts for Charleroi, the commission appointed by the county court to pass upon the re-districting of the borough, displayed wisdom and a proper understanding of the requirements. While this division, if approved by the court, may at times return a small vote in some of the precincts, there are other times when they will show the proper pro rata, as well as provide for future contingencies. Under the present division, should three-fourths of the registered and qualified voters desire to cast their ballots at a primary election, many of them could not be accommodated. The three precincts that now constitute the voting divisions of the borough each contain too many voters to be properly handled by the election boards, when anything like a full vote is polled.

The six precincts recommneded by the commission make as near an equal division geographically and with regard to population as can be well considered under present circumtsances. Any one of these can be equally subdivided in the future should occasion require, without disturbing the boundaries of the present plan. The proposed division also includes a fair proportion of both American-born and foreign citizens in each precinct, so that no class or nationality is bunched or isolated. It was the aim of the commission, which is composed of fair-minded and disinterested citizens, to avoid any such results, and their recommendation both geograhically and socially is well considered.

Taxpayers Remembered.

While churches, schools, hospitals, colleges and other Christian, charitable and philanthropic institutions come in regularly for bequests from public spirited persons, it is not often that taxpayers and public dependants derive benefits of this sort. The exception to this rule happens in Washintgon county, where a charitably disposed woman late of West Pike Run township leaves a substantial bequest for the redemption of court house bonds and also one for the benefit of the inmates of the county and children's homes.

This is a most unusual bequest, but it expresses the true spirit of philanthrophy. The bequests which are held in trust for the inmates of the county homes are particularly beneficient, and judiciously administered, will do much toward brighrening the lives of those on whom fortune has frowned and friends grown strange. At the children's home can this bequest be used to bring happiness and cheer under conditions where bare necessities are considered an essential. The modicum of relief that the rendemption of the court house bonds; by the terms of the bequest, will bring about will also be appreciated by the small taxpayers who find even their assessments burdensome. For widespread beneficence the bequest of MissElizabeth Phillips, for that is the donor's name, will be felt in circles heretofore exempt in this respect.

When a Man Goes Home From Work.

When a man goes home at evening to rest from his daily toil, he may be merchant, banker, or a farmer who tills the soil. He takes his pipe and his paper, while his wife puts the dishes away, and prepares to enjoy his tobacco, and glance o'er the news of the day. Soon the wife, all the supper work over, joins her husband, a book in her hand. 'Tis a picture of homes and contentment so plentiful over this land. And in many such home there is comfort, and beauty of furnishing too, the floors and the doors are just gilstening, it's Chi-Namel that keeps them like new. Just try a can of Chi-Namel—we have it in all colors. Sold by T. P. Grant. 16

Clothing, Furnishings and Shoes For the Family

Putting Quality first and Low Prices next is the reason of our ever increasing business. It seems strange that we should at one and the same time claim better merchandise at lower prices, for we say quality does not suffer at the expense of our low prices. What suffers is big profits, and we make that up in the volume of big business. Small profits, ready and quick sales look good to us. Here are some of the prices. Think and act. It means a saving on each article bought.

PRICES THAT ARE LOW

Our men's suits are hand-tailored by tailors that know how to put the proper kinks into them to give them that custom-made appearance. The most popular sellers are $15.00, 13.50 and 12.00.

We invite honest criticism of our $10 values in blue, black or fancy suits for young men. Every garment is backed by our guarantee to wear the price or a new suit gratis.

Your taste could not ask more or we are conceited about our pants line. We have the most up-to-date line of pants at low prices, 79c to $3.98.

Our ready cash enables us to buy just a shade cheaper and you are benefitted thereby. Boys' blue serge pants, every seam taped, 74c.

Men's overalls, all colors, 39c.
Men's work shirts, all colors, 39c.
Men's police and firemen's suspenders 18c.
Men's red and blue bandanas 3c.
Linen handkerchiefs 3c.
Ladies hose, fast colors, black or brown, seamless, 8c.
Men's work socks 7c.
Men's work shoes solid leather, good for mill or factory, $1.19
Men's tan work shoes, $1.69.

No Better Clothing Sold Anywhere

You're being confronted with all kinds of clothes-buying propositions; all stores make big claims. How shall you—the wearer—decide between us?

Greenberg standard of excellence sets guard over every garment here. You examine critically what kind of suits are offered you at $15, $18, $20 or $25 in several stores; then come here and we'll make a purchaser of you.

Our claims that these are the best suits sold anywhere at the prices will carry instant conviction the moment you inspect. A little more tone, a little more class, a little more distinction.

And yet; they cost no more than the ordinary—we urge you to see what we have—our guarantee of excellence involves not the slightest obligation for you to buy---but you will.

When you see the clothes, and hear the prices, you'll take up our cry---

To the Voters of Washington and Greene Counties:

I am a candidate in the Republican primary Saturday, June 4, for the nomination of Senator in the General Assembly to represent the people of Washington and Greene counties. I am under no pledge or promise to any individual, clique or faction in the district or outside. I stand upon my own individual record and I am making my appeal for votes direct to the people--the sovereign power of every community. I stand pledged to use my best efforts in behalf of the people and I assure one and all that I shall use all honorable means to advance the welfare and interest of my constituency.

I have made no entangling alliances and if nominated and elected I shall be left free to do the will of the people in all matters pertaining to their peace, welfare and happiness. I refer the voters of Washington and Greene counties to past record in public life covering a period of thirty years. It is upon this record that I make an appeal for support in the coming primaries. I solicit the vote and influence of every Republican in the district. Thanking you kindly in advance for the interest you will take in my behalf, I am,

Very Respectfully Yours,

John W. Hallam

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

CATARRHAL ASTHMA AND HAY FEVER

Tens of thousands of suffers from hay fever and catarrhal asthma find great comfort and quick relief by breathing Hyomei.

Of course where asthma is not caused by a catarrhal condition, but by nervous contraction of the bronchial tubes, Hyomei is not recommended.

But in a case of asthma where there is a discharge of mucous, breathing Hyomei gives most wonderful relief by soothing the irritated and highly inflamed membrane.

Mr. W. A. White, R. F. D. No. 1, Evansport, writes: "I have been bothered with asthma for over five years but could not get any relief until I tried Hyomei. I have spent lots of money on remedies for asthma and if I could not get another bottle I would not be without Hyomei for $50. I recommend it."

A complete Hoymei outfit including hard rubber pocket inhaler, costs $1.00 with instructions for use in hay fever and asthma Extra bottles of Hyomei cost 50 cents at druggists everywhere and at Piper Bros. K8
